## The Imani Project

"Hold a True Friend with Both Hands" — African Proverb

[www.imaniproject.org](http://www.imaniproject.org)

**Morris Charo**

In October of this year, **All Souls' Red Ribbon Committee** initiated a partnership with the **Imani Project** in sponsorship of **Morris Charro**. Morris is age 10 and in Class 4 at Majahazini Primary. He has 6 sisters, all living at home. His birthfather died of AIDS related illness in 2002. The mother has a small shamba (farm), but food is in very short supply. Contributions to December's special offering will sustain the sponsorship of Morris. **The Imani Project** utilizes a community based subsidized placement program of HIV/AIDS orphans in families in their community, rather than placement in orphanages some distance away from their homes.
